Dear Sir or Madam,

9471 '99 JUL 28 AM 11:13

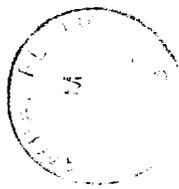

I am writing to urge you to stop the impending proposal to limit the practice and distribution of compounded drugs including the right of compounding pharmacists to suggest these drugs. I am terribly upset by the constant harassment of the compounding pharmacies / pharmacists. Please take action to stop it. I use compounded drugs and hate to think of the lengths I would have to go through to keep taking them if this legislation were passed.

Sincerely

Eleftheria Haritos
